The building and grounds of this school are located in a quiet part of the town away from the noise and confusion, and danger to punils from trade and travel. The building contains nine rooms, besides the large front hall with double stairway, and is provided with all necessary school furniture. It is being repaired, and newly painted, inside and out. The grounds consist of one and a half acres, which are divided into separate play grounds for girls and boys. The Music Department is in the same building, thus avoiding the necessity of passing from one building to another, and all danger to music pupils arising from exposure to rough and very cold weather. It will be provided with a sufficient number of good pianos.

The Sixteenth Session of this school will commence on Monday, the 12th
